

VC02

The logo features the word "AQUALINE" in a bold, black, sans-serif font. The letters "A", "Q", "U", "A", "L", and "N" are in all caps, while the "I" is lowercase. A thick black line starts from the bottom of the "Q", curves under the "U" and "A", loops under the "L", and then curves under the "I" and "N", ending in a sharp point on the right side. This line forms a stylized shape that resembles a swimmer's tail or a splash. The entire logo is enclosed within a thick black oval border.
